Wentworth Cemeteries and Officers

The Wentworth Cemetery Association was voluntarily organized and incorporated as a non-profit entity by the three town Cemetery Associations for the purpose of lowering the costs of administration by hiring a Caretaker to work at the three lots and to share the costs of the legal and insurance obligations of the three individual Cemeteries.

Each Cemetery is privately owned and incorporated in the State of New Hampshire as non-profit Corporations with elected Officers and with their own set of Bylaws.

Eastside Cemetery Association, Inc. 501(c)3 NH registration: 2302

President: Steve Davis, (603) 764-5741

Treasurer: Leona Fortier

Foster Cemetery Association, Inc. 501(c)3 NH registration: 3397

President: Paul Smith, (603) 764-6000

Treasurer: Bonnie Jones

Village Cemetery Association

President: Mary Chase, (603) 353-4880

Treasurer: Kathryn Reed

Wentworth Cemetery Association, Inc.

(Formed to provide common insurance and services to the three Town Cemetery Associations)

Mailing Address: 237 Eastside Road, Wentworth, NH 03282

President: Steve Davis, (603) 764-5741

Treasurer: Paula Davis

Sexton: John Timson (603)726-6774 (cell) or (603)536-1431 (msg)

All three Cemeteries are looking for members to serve as Officers or attend meetings. If you have a family member or loved one interred in any of our cemeteries, you are qualified to serve on the Board and vote in the Annual Meetings. Please contact the President of the cemetery for information.
Thanks!

2014 Selectmen Report

This was a transition year for the Board with the resignation of Chairman Randy Morrison and the election of new member Peter Santom. Dave McMullen was appointed to serve out the remainder of Chairman Morrison's term.

The Board made some structural changes to the meeting schedules to allow for a very heavy work load and to address the administrative needs of the Town. A Business Meeting is held every two weeks, and a working meeting held during the off week. A privilege of the floor rule was adopted to maintain good order.

Administrative: Work completed this year included the adoption of a Town Employee Policy and Town Safety Policy. The Hazard Mitigation Plan was completed with the participation of the heads of all Town Departments and the Wentworth School District. The study was funded by a grant from FEMA. Thanks to all for their hard work on this project.

The Emergency Operations Plan is currently being worked on and reviewed. It is expected to be adopted in 2015.

Financial: the 2014 Town spending again came in under budget. This year's funding requests will maintain current services without funding increases. The tax rate of \$21.45 at the time of last June's billing was reduced to \$18.50 because of a number of reasons including a reduction in School spending and a total of \$230,219 applied from the Unexpended Fund Balance (UFB). The retention of \$441,889 in the UFB helps assure that the Town will not need to borrow any funds for cash flow issues, and will retain the ability of the Board of Selectmen to manage future tax rate increases outside of the control of Town government.

Infrastructure and Equipment: The Board issued a final approval of the Evans Bridge to Dubois and King Engineering and the Dufour Bridge to Holden Engineering. Both projects were completed on time and within budget. They will be valuable assets to the Town for many decades to come. The remaining bridges listed as deficient by the NHDOT include the Rowentown and Frescoln bridges. The Board has approved a preliminary engineering study in preparation for State funded replacement or repair.

The sole road improvement project approved in the last budget was on Beach Hill road. The budget request was not sufficient when put out to bid, so the project was not begun. A warrant article included in this year's Town Meeting, if approved, will raise the additional amount needed. The funds raised last meeting is currently held in the UFB and the full amount will be applied to offset the additional spending.

The 2001 International six wheeler dump/plow truck gave up the ghost just before the plowing season. A replacement Freightliner was located that was ready to go for \$150,000. The Board signed a seven year lease/purchase agreement to retain the ability for timely snow removal and sanding during the winter months. This expenditure will not increase taxes, and is partially offset by the significant maintenance costs of the old truck.

Acknowledgments:

The Selectmen authorized the empanelment of the Town Village Common Bridge Steering Committee to evaluate options to the closure of the old 1909 iron bridge over the Baker River. A report was submitted to the Selectmen on January 13, 2015 outlining their recommendations. A handout outlining the recommendations and project progress will be available before Town Meeting as details were not firmed up when this report went to press. The Board would like to thank Committee chair John Meade for his leadership on this study and members Leslie Backstrom, Kay Thompson Bailey, Max Corbett, Susan Corbett, Donna King, Palmer Koelb, Peter Kozak, Jennifer Meade, Ellie Murray and Francis Muzzey for their hard work and participation.

Congratulations to Chief Kevin Kay for winning the NH Grange's Excellence in Community Service Award for 2014. He was nominated by the Dorchester Grange as submitted by Darlene Oaks and Sandy Green.

Congratulations to the Wentworth Fire Department for winning the NH Grange's Group Citizen of the Year Award for 2014. The Department was nominated by Baker River Grange as submitted by Ida Hutchins.

These very well deserved awards mean exactly what they state. That the New Hampshire State Grange has selected these two departments out of all the others in New Hampshire. These are very prestigious awards and they reflect well on the winners, and on our community's moral and financial support. Firefighting and Policing are hard and dangerous jobs, and we owe them our thanks and gratitude.

The Board of Selectmen on behalf of the Town would like to thank our Fire, Police, and Highway Departments for continuing to safeguard our properties and families. The Board would also like to thank our very capable Administrative Assistant, Catherine Stover for her hard work and attention to the needs of the community. Also, a Thank You to all those who volunteer your time and efforts into our Town events and projects, it is very much appreciated and needed!

State of New Hampshire
Town of Wentworth

Warrant for year 2015 Town Meeting

To the inhabitants of the Town of Wentworth, in Grafton County, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified that the Annual Town Meeting of the Town of Wentworth, New Hampshire will be held at the Wentworth Elementary School, 1247 Mt Moosilauke Hwy, Route 25, Wentworth NH on March 10, 2015.

The polls will open at 11 am and close at 7 pm to bring in your votes for Executive Councilor and vote on Article 1 (the election of Town Officers). All other articles will be presented, discussed and acted upon beginning at 7 pm.

1. To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)
2. To receive reports from the Selectmen, Town Clerk/Tax Collector, Treasurer, Auditors, and other Town Officers; and to vote on any motion relating to these reports.
3. To see if the Town will vote to raise and appropriate the sum of **\$265,645** for **General Municipal Operations** for the purposes detailed in the operating budget posted with the warrant, to come from 2015 general taxation. This article does not include any amounts contained in any other article.
(Majority vote required).
4. To see if the Town will vote to raise and appropriate the sum of **\$20,000** for the purpose of paving the **Town Offices Parking Lot**, of which \$20,000 to come from the Paving Capital Reserve. No money to be raised from taxation.
5. To see if the Town will vote to raise and appropriate the sum of **\$4,100** to be expended by the **Planning Board** in connection with its activities for such purposes and such uses as deemed necessary by the Planning Board.

6. To see if the Town will vote to raise and appropriate the sum of **\$20,272.00** for the following **Health Agencies and Organizations**:

American Red Cross (provides emergency & disaster relief)	\$700.00
Bridge House (provides shelter for homeless)	\$2,000.00
CADY (Communities for Alcohol and Drug free Youth)	\$1,000.00
CASA (Court Appointed Special Advocates for children)	\$500.00
Genesis (mental health care)	\$1,750.00
Grafton County Senior Citizens (meals, transportation, day service)	\$1,200.00
Mid-State Health Center	\$1,216.00
Mt. Moosilauke Health Center (healthcare & counseling)	\$2,500.00
Pemi-Baker Community Health (homecare, hospice & family health)	\$4,173.00
Tri-CAP (fuel assistance, food, electrical & referral assistance)	\$2,000.00
Visiting Nurse & Hospice of NH/VT (homecare, hospice, family health)	\$1,733.00
Voices Against Violence (service\educ for domestic\sexual violence)	\$1,500.00

7. To see if the Town will vote to raise and appropriate the sum of **\$30,770** for the maintenance of the **Fire Department** for the ensuing year, of that amount \$2,436 to come from the Unreserved Fund Balance and \$28,334 to come from 2015 general taxation.
8. To see if the Town will vote to accept the **donation of a parcel of land**, located on Beech Hill Road for the relocation and use of the **Fire Department's New Building Site** for public purposes. The donation is a gift, no money to be raised from taxation.
9. To see if the town will vote to raise and appropriate the sum of **\$382,000** for the **Highway Department** for the ensuing year, of which \$68,332 to come from the Unreserved Fund Balance, up to \$22,709 to come from the State Highway Block Grant Aid and the remainder to come from 2015 general taxation.
10. To see if the Town will vote to raise and appropriate the sum of **\$70,000** for improvements on **Beech Hill Road**, of which \$30,000 to come from the Paving Capital Reserve, \$20,000 to come from the Unreserved Fund Balance and the remaining \$20,000 to come from 2015 general taxation.
11. To see if the Town will vote to authorize the Selectmen to continue the 5 year lease agreement, in the amount of \$154,796 for the purpose of continued leasing of a **2012 International Plow Truck** for the **Highway Department**, and to raise and appropriate the sum of **\$33,345** for the fourth year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required)

12. To see if the town will vote to authorize the selectmen to enter into a 7 year lease agreement in the amount of \$152,139 for the purpose of leasing a **2014 Freightliner** Dump/Plow Truck for the **Highway Department**, and to raise and appropriate the sum of **\$24,679** for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required)
13. To see if the Town will vote to raise and appropriate the sum of **\$400** to be expended by the **Trustees of the Trust** Fund for expenses related to attending conferences and training as deemed necessary by the Trustees. (Majority vote required)
14. To see if the Town will vote to raise and appropriate the sum of **\$250** to be used for participation in **pbCAM (Pemi-Baker Public Access Media)** for the purpose of making video recorded meetings (school board, selectmen, etc) available for cable television viewers. This amount to be expended from unexpended fund balance from revenue received from the Time Warner franchise fees. No money to be raised from taxation.
15. To see if the Town will vote to raise and appropriate **\$700** to be expended by the **Conservation Commission** in connection with its activities for such conservation purposes as set forth in RSA 36-A, at the discretion of the Conservation Commission.
16. To see if the Town will vote to raise and appropriate the sum of **\$114,630** to be placed into the following **Expendable Trust Funds and Capital Reserve Funds**, of this amount \$38,830 to come from the Unreserved Fund Balance and \$75,800 to come from 2015 general taxation. The Selectmen recommend this appropriation.

a. Fire Truck (est. 1984)	\$15,000
b. Hwy Equipment & Vehicle (est. 1973)	\$15,000
c. Police Cruiser (est. 1993)	\$5,800
d. Property Revaluation	\$5,000
e. Town Bridges Fund	\$38,830
f. Road Paving (est. 2002)	\$20,000
g. Fire Dept Site (est. 2004)	\$15,000

17. To see if the Town will vote to appoint the Board of Selectmen as agents to expend from the **Fire Department Capital Reserve previously established in WA 8 of 2004**. The Selectmen recommend this article. (Majority vote required)

18. To see if the Town will vote to establish a **Webster Memorial Library Expendable Trust Fund** per RSA 31:19-a, for the purposes of repairs and maintenance to the Library, and to raise and appropriate **\$15,000** to put in the fund, with this amount to come from 2015 general taxation and further to name the Library Trustees as agents to expend from said fund. The Selectmen recommend this appropriation. (Majority vote required)
19. To see if the Town will vote to raise and appropriate the sum of **\$75,050** for the purpose of disposal and hauling of solid waste and associated costs of maintenance for the Town **Transfer Station**, to come from 2015 general taxation. The Selectmen recommend this appropriation.
20. To see if the Town will vote to raise and appropriate the sum of **\$74,185** for the maintenance of the **Police Department** for the ensuing year, of which \$10,300 to come from the Unreserved Fund Balance, and the remainder of \$63,885 to come from 2015 general taxation.
21. To see if the Town will vote to raise and appropriate the sum of **\$39,000** for the purchase of a new **Police Cruiser**, of which \$39,000 to come from the Police Cruiser Capital Reserve. No money to be raised from taxation. The Selectmen recommend this appropriation.
22. To see if the Town will vote to raise and appropriate the sum of **\$800** for costs and expenses associated with **Animal and Pest Control**.
23. To see if the Town will vote to raise and appropriate the sum of **\$19,500** for operating expenses for **Ambulance Services**.
24. To see if the Town will vote to raise and appropriate the sum of **\$5,060** for the **Parks and Recreation** for the general maintenance of parks, including the Common, Library, Riverside Park, and Hamilton Memorial Field, of which \$1,700 to come from the Unreserved Fund Balance and the remaining sum of \$3,360 to come from 2015 general taxation.
25. To see if the Town will vote to raise and appropriate the sum of **\$39,416** for the **Webster Memorial Library** expenses; \$2,466 to come from Library income, \$891 to come from the Unreserved Fund Balance and the remaining sum of \$36,059 to come from 2015 general taxation.

26. (By Petition) Do you approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and the other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for the transaction of other business?
27. To transact any other business that may legally come before the meeting.

Dated this _____ day of February 2015

TOWN CLERK/TAX COLLECTOR REPORT – 2014

It has been an interesting year for elections (4); special primary for governors council, Town/School election, governors council, State mid-term primary and State mid-term election. For 2015, there will be just one election; Town/School.

During our regular hours we processed 1,330 vehicle registrations, 87 title applications, 304 dog licenses, 22 requests for vitals, and mailed 600 vehicle renewals.

On the Tax side there were 64 electronic payments through the online kiosk, 187 deposits of tax payments for a total of 1.9 million dollars, two mailings of 900+ tax Bills, 200+ past due notices, 60 lien notices, 18 Deed notices (2011 taxes), 60 liens processed and 9 Tax Deeds.

A planned project for 2015 is to install the Motor Vehicle module from our current software vendor (Avitar Associates). This will replace the current State DMV browser that we are currently using. Currently information from the State browser has to be manually entered into the Town system. The new module will help both the staff in the office and customers. It will reduce the chance of error that can occur with manually transferring the information between the two current systems. We will have the capability to give cost estimates for transfers and new registrations.

If you do not receive email sent from the office, please send your email address to tctcwentworth@yahoo.com. I will put you on the list of residents.

George A. Morrill
Town Clerk/Tax Collector

State of New Hampshire
Town of Wentworth
Warrant for year 2014 Town Meeting

To the inhabitants of the Town of Wentworth, in Grafton County, in the State of New Hampshire, qualified to vote in Town affairs:

2nd – Duane Brown

Passed by Voice Vote

19. To see if the Town will vote to raise and appropriate the sum of \$53,556 for the Webster Memorial Library expenses; \$3,883 to come from Library income, \$3040 to come from the Unreserved Fund Balance and the remaining sum of \$46,633 to come from 2014 general taxation.

Motion to accept – Bob Anderson
2nd – Brian Dubois
Passed by Voice Vote

20. To see if the Town will vote to discontinue that part of an old Class VI road three rods in width in the Town of Wentworth, being an unused remnant portion of an October 1783 layout of a highway, which leads from Precision Lumber on Buffalo Road to and across Turner Field (now owned by Newbert) then crossing the Turner Cross Road and through lands owned by Randy Morrison, Neil Borger, et al. to Gove Lane at a point across from the present (2014) Rowell Ray home, and not to affect any portion or portions of the other presently used Class V roads over which this road crosses or formerly followed, and to further vote that upon discontinuance of these portions of the old road so described to give the land over which the road was originally laid out to those present owners or abutters through whose lands the road now passes.

Motion to accept – Steve Davis
2nd – Paul Davis Sr.

Amendment – withdrawn

Final Amendment –

By Petition, To see if the Town will vote to completely discontinue that part of an old Class VI road three rods in width in the Town of Wentworth, being an unused remnant portion of an October 1783 layout of a highway, which leads from Precision Lumber on Buffalo Road to and across Turner Field (now owned by Newbert) then crossing the Turner Cross Road and through lands owned by Randy Morrison, Neil Borger, et al. to Gove Lane at a point across from the present (2014) Rowell Ray home, and not to affect any portion or portions of the other presently used Class V roads over which this road crosses or formerly followed, and to further vote that upon discontinuance of these portions of the old road so described to give the land over which the road was originally laid out to those present owners or abutters through whose lands the road now passes.

Motion to accept – Frances Muzzey

WENTWORTH POLICE DEPARTMENT 2014 Annual Report

2014 was another busy year for your part time Police Department. Calls for service were up and all and all Wentworth PD handled 87% of all those calls. We would like to thank NH State Police for their continued assistance in handling calls when we are not available to respond.

As mentioned last year, the 2008 Cruiser is out of its extended warrantee, and significant rust is present on rocker panels. The cruiser was slated to be replaced last year, so we are going to ask to pull from capital reserve and now replace it this year. The costs have gone up since 2008 but all and all we planned well and will have enough in the capital reserve to replace it and also up-fit with some newer equipment. As if this writing, final pricing is not in yet on this project.

The Legion Speedway brings new management to the track who have already reached out to us for this coming summer. Last year there were some issues that were addressed on a regular basis; we are hoping that this year with new management that those issues will be resolved.

Wentworth PD also had some staffing changes over the year. We lost Deputy Chief Peter Chierichetti to the Grafton County Sheriff's Department, and Officer Brett Miller as he has accepted the job as Chief of Police in Rumney and neither can fit us in. Joining us was Angela Lyford who took a significant amount of hours. Chris Bassingthwaite also has joined us to assist. Staffing still is an issue for us to find people who are willing to work when needed on a part time basis. Officer Amanda Hutchins and Officer George Hill are still committed to assisting us as they can and are both great assets to the Department.

We would like to remind everyone to please call Dispatch for your needs so that they can be addressed in a timely fashion. Calling and leaving messages at Officer's homes or my residence is not a way to communicate a police matter. Many messages have been left at my home, that I never receive and if I am out on the road, my family has no way to get that info to me. So please call Dispatch at 787-6202 for your needs. This way it is logged and can be dispatched appropriately.

All and all we continue to work hard for you and meet your needs the best we can. Feel free to contact us on our business hours on Tuesday nights from 5pm to 9pm and follow us on Facebook for information, and tips. And again please be alert and watch out for each other.

Respectfully Submitted
Kevin M. Kay, Chief of Police

Wentworth Volunteer Fire Department

As another year draws to a close for the Fire Department, I would like to take this opportunity to reflect on the past 12 months. Although our number of calls for service was down last year, totaling only 45, there were still many goings on that kept us busy.

Early in the year, we were thrilled to put our newest piece of apparatus in service. This engine has already proven to be a very worthwhile investment. From motor vehicle accidents, to chimney fires and even serving as water source for larger fires this truck is a variable “Swiss Army Knife” for us and we continue to find new uses for it.

Within the department, there were some changes and promotions as well. I am very happy to report that in April we elected two new Engineers. Both Jason Ames and Bruce Welch have served with the department for a number of years, starting out with us as part of our explorer program, then being voted onto the department as full members and now both are serving as engineers. They are both excited about these new duties and responsibilities. We also continue to grow the program that brought them to the department, adding a new Explorer early in the year; he has proven to be a dedicated student and a quick study in just these few short months. I look forward to working with all three for many more years, as they continue to grow and prosper within the department.

Now, I must take some time to thank all of our community members who have supported us throughout the year in our continued fundraising efforts. I want to personally thank Randy and Andrea Comstellar for their generous offer of a parcel of land on which to place a new Fire Station. We are rapidly out growing our current station and have been cramped for space in the aging building for some time now. I also want to thank the Baker River Grange and the New Hampshire State Grange Association who honored the Wentworth Volunteer Fire Department with their Group Citizen of the Year Award. This is a huge honor for the department, and would not have been possible without the efforts of Ida Hutchins, who took it upon herself to nominate and lobby for us for this prestigious award. This award recognizes us above all other departments in the state, and we truly are privileged to be among a community that regards us so highly.

We continue to search for new and dedicated persons, who are looking for a way to give back to their town and community. Meetings are held on the First and Third Wednesdays of the month, at 7:00 pm at the Fire Station. No training is necessary and all are welcome to join, remember “there are no small jobs, only small firefighters”. Also be sure to follow us on Facebook to keep up to date on our activities throughout the year.

Respectfully Submitted, Lieutenant Ray Welch

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

This past fire season started in early April with the first reported fire on April 7th. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the town of Tamworth. From mid May through early September, above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas, resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

Greetings from the Transfer Station!

John here. For those of you who have not met me yet, I took over for Adam in July. It has been my goal to keep the Transfer station clean and running smoothly and ensuring we are in full compliance with all state regulations and requirements. I want to thank all of you for making my transition an easy and pleasant one. All of you have been great at helping me fill this role and doing your part to make the dump less of a dump!

I would like to start off with a few reminders. Plastic bags are not allowed in the Zerosort recycling dumpster as these gum up the works and can lead to fines for the town. Also the dumpster located at the top of the ramp is a pay for use dumpster for Construction waste. You MUST see me every time you wish to put something in there, as there are certain fees associated with its use that must be collected. Noncompliance with these few rules can result in higher costs to the town and thus to you, the citizens of the town of Wentworth.

As a resident of this town I am doing all I can to reduce the costs associated with the transfer station and keep us on or under budget. We all pay for the transfer station so it is in all of our best interests to keep costs down.

On a different note the Zerosort program has been going very well. I have noticed an increase in the participation of recycling in this community over the course of my tenure here. We were going about a month between swap outs now we are at about every 2 weeks. That means more of you are recycling and using the Zerosort system!

Thank You for doing such a great job. Even with the increases in disposal we still managed to come in just under budget for 2014. Thank you again for all your help. I enjoy working with all of you and it a pleasure to be able to assist you all with your disposal needs. Keep up the good work. Thank you again for your time and assistance.

John Williams

Town of Wentworth Transfer Station (Effective 12/23/13)

Trash Barrels	Helium Tank \$4.00
Under 20 Gallon -no charge	
20-30 Gallon - \$5.00	Mattress or Box Springs

Batteries: Car batteries (any lead-acid), lithium, rechargeable & Ni-cad (watch batteries, computer laptop batteries, etc.) Please see attendant for disposal instructions. Standard alkaline batteries can now go in the regular trash.

Cell phones: may be disposed of in the rechargeable battery bin.

Freon Containing Appliances: \$20 Disposal fee (Dehumidifiers, Frig, Freezers, A/C, etc.).

Motor Oil, Kerosene, and Hydraulic Fluid: Not contaminated with gas, water or antifreeze. Please see attendant before dropping off.

Propane Cylinders: up to 20 lb. tanks \$3 disposal fee; tanks over 20 lbs \$5 disposal fee.

2014 Road Agent Report

I'd like to start out by thanking the Town's residents for all the support and kind comments that come our way. Many Thanks to John Corso for helping me out and who sometimes, (LOL) makes my job easier with his knowledge and experience.

This past winter took a toll on the town's older six wheel dump truck (2001 International) which is starting to be a money pit. It should be replaced this coming year. The new F550 worked great this past winter with no major issues.

Our stock pile of salt and sand took a big hit with the number of snow storms, freezing temperatures, and the two heavy rain storms that happened in the month of January alone. We are all set and ready again for this coming winter and have stockpiled stone to be ready for the spring mud 2015 season.

Spring grading went well after the short mud season we had. We did not use a roller in the spring cycle because that causes water to come to the surface which creates more mud.

Summer time we had plenty of projects that kept us busy throughout the town. During the fall season we added material to several roads that were lacking much needed gravel. Then graded, watered and rolled them in. I will be adding more gravel next year so we can continue to improve town roads.

Spending money is always a hard pill to swallow in today's economy but to keep moving forward, it unfortunately takes your tax dollars and continued support to keep up with the maintenances of the town. Thank you again for your support.

Sincerely and respectfully submitted

John Emery / Road Agent

WENTWORTH HISTORICAL SOCIETY

Wentworth Historical Society

The Wentworth Historical Society wishes to extend sincere thanks to the taxpayers for supporting our cause whenever requested. Monthly meetings are held the third Thursday of the month from April through December. Everyone is invited to attend. The meeting format includes a short business meeting followed by a presentation of interesting historical information about the town. Anyone wishing to contribute to our mission of collecting and dissemination history of the town is asked to help us in any way.

The year 2016 is close and marks the 250th anniversary of the charter of Wentworth and the Historical Society hopes to make that a memorable event from July to December with a dedicated theme for each month. Everyone is invited to help us prepare for this unique celebration with suggestions, assistance, participation, or whatever you can offer. The Historical Society is asking for your donation this year in order that we may start preparing for the event.

A special thanks to Ted Ellis for his contribution to the Society in the past year. Forty years ago, while living in town, Ted read a special composition for which he had researched to the Historical Society about the Whipple Family and the Whipple House, and it was read again during one of our past meetings. Thanks Ted.

As in past years, the museum will be open every Saturday from Memorial Day through the Saturday before Labor Day. All are invited to come by to view the many items of interest in our building. Help us if you can to organize our valuable items which have been contributed from far and near in past years.

Francis Muzzey, President

Planning Board Meetings

1st Monday of each month, 7:00 pm (6 pm winter)
Town Office Building
(Exception Federal Holidays 2nd Monday)

Subdivisions and driveway installations require prior approval by the Planning Board. Applications are available at the Town Office Building during normal business hours.

All septic installations require the septic designer to be licensed by the State of New Hampshire. Design plans shall be submitted to the Wentworth Board of Selectmen for approval. Board approved plans shall then be submitted to the State of New Hampshire, Department of Environmental Services, Concord, NH for their stamp of approval and certification of installation.

PLANNING BOARD REPORT FOR 2014-2015

The Wentworth Planning Board meets on the first Monday of each month at 6:00 P.M. in the Selectmen's meeting room. All meetings are open to the public. Minutes of the meeting are posted in the official log of the Planning Board in the Selectmen's office and may also be viewed on the Town's website. Please feel free to attend our meetings, ask questions, or make suggestions.

There were 2 sub-divisions and 2 lot line adjustments proposed and accepted during the past year.

Special thanks to Deb Vlk for taking minutes of our meetings and performing the mailings which the Board may require.

Respectfully submitted,
Francis Muzzey, Chairman

WENTWORTH CONSERVATION COMMISSION 2014 ANNUAL REPORT

I attended the annual meeting in November and all other meetings that were necessary to attend.

The Baker River was monitored four times in the summer months of June, July, August and September. Samples of water were collected and were tested to make sure anyone going into Baker River would be safe.

Samples were collected at the Tennis court area, the town swimming hole and Saunders Bridge. They were tested for E.coli. Fortunately all areas tested were clear. Otherwise if the areas tested for E.coli had tested positive they would have to be closed and retested later for E.coli. If tested clear they could then be opened up for swimming.

Many places were inspected during the year for flooding and wetland damages.

Eleanor Murray, Chairman

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen, Town of Wentworth, New Hampshire:

We have compiled the accompanying financial statements of the governmental activities, each major fund, the aggregate remaining fund information, and the general fund budgetary comparison of the Town of Wentworth, as of and for the year ended December 31, 2013, which collectively compose the Town's basic financial statements as listed in the table of contents. We have not audited or reviewed the accompanying financial statements and supplementary schedules and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and supplementary schedules are in accordance with accounting principles generally accepted in the United States of America.

The management of the Town of Wentworth is responsible for the preparation and fair presentation of the financial statements and supplementary schedules in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements and supplementary schedules.

Our responsibility is to conduct the compilation in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist the management of the Town of Wentworth in presenting financial information in the form of financial statements and supplementary schedules without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements and supplementary schedules.

As explained in Note IV.C. to the financial statements, management has not recorded the long-term costs of retirement health care and obligations for other postemployment benefits in governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities and expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets, and expenditures of the governmental activities has not been determined.

Management's discussion and analysis on pages 3 through 7 is presented for purposes of additional analysis. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have compiled the supplementary information from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, we do not express an opinion or provide any assurance on the supplementary information included in management's discussion and analysis.

The supplementary information contained in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.

We are not independent with respect to Town of Wentworth.

Crane & Bell, PLLC

September 4, 2014

2014 WEBSTER MEMORIAL LIBRARY TRUSTEES'S REPORT

In 2014, the Librarian and Trustees continued to update services at Webster Memorial Library.

Maintenance to the building this year included installing a water-barrier system to the four walls, ceiling, and floor in the section of the basement where water was leaking in. This also included drainage channels and a commercial dehumidifier. We also had to replace the oil tank due to rust from the water leaks.

We joined with Joseph Patch Library in Warren for a third year in a fund raiser consisting of a Garden Tour of both towns. It was a success once again. We also had our annual Market Day book sale which was also a success as usual.

We continue to have an adult Book Group on the second Monday of the month. We also have a preschool story hour on Wednesday mornings at 10:00 with stories, songs and a craft. We held a special Christmas story time with hot chocolate and cookies, stories, and ornament making.

The New Hampshire Astronomical Society donated a telescope to the library to loan to patrons.

There are now two copies each of Plummer's History and Hoyt's History of Wentworth that can be borrowed for a two-week period.

At the 2014 Town Meeting we put out a survey for the public to fill out asking, among other questions, for the best times to extend library hours to enable more people to come to the library. We tried extending Monday's hours from closing at 6:00 to closing at 7:00, which, after a trial period of 5-6 months, did not work out. Wednesday's hours were extended from closing at 4:00 to closing at 5:00, which worked better for the public and remain in effect.

Respectfully submitted,

Sharon Sanborn, Chairperson
Angela Kenneson-Comeau, Secretary
Helen Ray, Trustee

2014 Webster Memorial Library Librarian's Report

The library is open on Mondays from 1-6, Wednesdays from 11-5, and Saturdays from 9-12. Story hour is on Wednesdays at 10 am. An adult book discussion group meets on the 2nd Monday of the month at 6 pm and trustee meetings are held on the fourth Monday of the month at 6 pm.

Patrons can borrow a variety of items including books, audio books, videos, DVDs, CDs, and periodicals. Internet databases are available to patrons both in the library and at home. The library participates in the Inter-Library Loan program and can borrow items from other New Hampshire libraries. Patrons can download audio books and e-books through the New Hampshire Downloadable Books consortium.

In August the library had its annual book sale during Market Day.

High-speed internet access is available at the library. There are two public access computers as well as wireless connectivity for patrons with their own laptops or other devices.

The library's holdings are as follows:

General Fiction	3121	Children's Nonfiction	1338
General Nonfiction	4454	Audio-Visual Materials	1200
Children's Fiction	2712	Periodicals	33

In 2014, there were 506 cardholders and 1023 visits made to the library.

Total circulation of library materials was 2224 items:

General Fiction	873	General Nonfiction	241
Children's Fiction	455	Children's Nonfiction	68
Periodicals	202	Audio-Visual	385

In addition, the library borrowed 205 items from and lent 323 items to other libraries through the ILL program. 150 audio and ebooks were downloaded from the New Hampshire Downloadable Books website.

The library acquired 560 items in 2014. Of these, 142 items were gifts. 308 items were added to the general collection, 196 items were added to the children's collection, and 56 items were added to the audio-visual collection. 9 of the 33 periodical subscriptions are also gifts.

Many thanks to those who volunteer and support the library!!

Respectfully submitted,
Nance Masterson, Librarian

2015 Town Report
Report from Your North Country Senator
Jeff Woodburn

Dear Constituent,

It is an honor to serve as your State Senator representing District 1, which includes 58-rural, northern communities, encompassing 27 percent of the state's landmass. It is a region larger than two states and 17 foreign countries and containing fewer than twenty people per square mile. The North Country, including the White Mountains region, has a uniquely different culture, landscape, economy and history than the rest of the state. It is my focus to ensure that State government understands this and doesn't forget us. Our needs, challenges and opportunities are different. At the top of my priority list is stabilizing our fragile economy while improving the quality of life for our people. First and foremost, this means advocating for policies and projects that expand business and entrepreneurial opportunities that will raise stagnant wages.

We've made important bipartisan investments that disproportionately benefited our region in the previous session and I will fight efforts to repeal them. I will support our continued efforts to expand access to health care, reduce the burden of uncompensated care at local hospitals, invest in local road and broadband infrastructure and build a budget that reflects the needs of rural areas.

In the Senate, my goal has been to be practical and to work with everyone to get results for our region. But voting is only a part of my work; in the tradition of my mentor, the late Executive Councilor Ray Burton, I have been accessible and available to my constituents, holding town hall meetings, office hours and tours for state leaders. I have tried when possible and appropriate to bend state government to meet the needs of rural people and rural communities.

I love being the voice for the North Country and am constantly inspired by our people and places that make our beloved home so special. Be in touch, if I can be of assistance to you or your community.

Regards,
Jeff Woodburn, North Country Senator
524 Faraway Road, Dalton, NH 03598

October 21, 2014

Wentworth Board of Selectmen
P.O. Box 2
Wentworth, NH 03282-0002

Dear Select Board Members;

In planning ahead for the 2015 water sampling season, the Baker River Watershed Association (BRWA), as a steward of the watershed, requests continued support of our E. coli testing of the Baker River in Wentworth. The amount requested is \$300.00. This amount reflects an increase in lab analyses no longer subsidized by Plymouth State University, and now analyzed by NH DES, whose price increased in July 2014. We have also requested support from the watershed towns of Warren, Rumney, and Plymouth for \$300.00.

BRWA member volunteers collect samples at multiple points in Wentworth, including a replicate sample, 4 times during the summer months. The lab analyses from DES provide valuable health- and safety-related information to Wentworth residents, which substantiates the health merits and financial value of this budget item request.

We look forward to your continued support!

Sincerely,

David Saad
Chairman
Baker River Watershed Association

2014 Annual Report

This past year, the Pemi-Baker Solid Waste District continued its cooperative efforts to promote waste reduction, increase recycling, and to provide residents with a means of properly disposing of their household hazardous wastes (HHW).

The District held two (2) one-day collections, one in Littleton and the other in Plymouth. A total of 251 vehicles came to the collections - an increase of 31 vehicles from 2013 and our highest participation total since 2006. Total disposal costs were \$24,815. The District was awarded a grant from the State of NH for \$5,611 and received a \$5,000 donation from Casella Waste. The District's net expenditures were \$14,204 (a cost of \$.46 per resident). The table below highlights the District's HHW collection data since 2010. The District also coordinated the pickup of fluorescent light bulbs that had been collected at member towns' recycling facilities. Over 41,000 feet of straight fluorescent tubing was recycled.

In 2014, the District will hold collections in Littleton (Sunday, August 23rd) and in Plymouth (Saturday, September 26th). Individual residents can help to minimize the District's disposal costs and reduce the toxicity of the environment by remembering a few of these helpful tips; Buy only what you need. If you have leftover product, properly store it so it will last. Use biological controls and organic products for pests and diseases in the garden when feasible. Apply chemical pesticides only as a last resort and be sure to follow the directions on the label. Lastly, air-dry your leftover latex paint. When completely dried, latex paint may be disposed of in your household trash.

This past year the District supported legislation that would have placed a fee on oil and latex based paints sold in New Hampshire. The money generated by the fee would have been used to create an infrastructure that would have expanded the opportunity for residents to properly dispose/recycle their unwanted paint and to cover the cost of managing the collected paint. Simply stated, the legislation would have shifted the cost of disposal/recycling from the tax payer to the individual consumer. The proposed legislation passed the House of Representatives, but unfortunately failed in the Senate.

As always, citizens interested in participating in the development of the District's programs are welcome to attend the District's meetings. Information regarding the place and time of the meetings is available at all municipal offices and recycling centers. If at any time an individual community needs assistance in regards to their solid waste/recycling program, please contact the District at 838-6822 or by email at pemibakerswd@yahoo.com

Respectively Submitted,
Dan Woods, District Coordinator

Pemi Baker TV

Government Access: Channel 3/Digital 121

The Towns of Ashland and Wentworth continue to be supporting member communities of PBTv in 2014. Ashland broadcasts two of their Selectboard meetings per month as well as financial update meetings. Wentworth submits one municipal meeting per week for play on CH 3.

New this year, the Town of Thornton became a supporting community member of PBTv so that Thornton municipal information could be displayed on the message board.

The following Plymouth Board meetings were broadcast regularly this year: Select, Planning, Zoning, School, and Water & Sewer District meetings. Additionally the following meetings were broadcast: two NH Rail and Transit Authority Meetings and Gov. Hassan's visit to the Enterprise Center at Plymouth.

Public Access: Channel 20/Digital 121

The public access side of Pemi-Baker TV focused on special town-wide events, important Plymouth destinations, and on-camera interviews as our service to the community this year. PBTv chronicles events as they make Plymouth history such as the *Make Music Plymouth* event of this past summer.

Other events/places covered exclusively by PBTv for viewers this year: Fly-ins at the Plymouth Municipal Airport, Skate Jams at the Skatepark of Plymouth, ReStore at the Habitat for Humanity, and NH Permaculture Gathering at D Acres.

The PBTv studio saw much in the way of political activity this year, culminating with *Candidates Night 2014*, a live studio event featuring our local political candidates running for office. Helping to organize this event are the Plymouth Area Democrats and the Pemi-Valley Republican Committee. Wind/energy issues continued to be studio topics this year. The following organizations film/contribute videos for CH 20 on a regular basis: Plymouth Area Democrats, the Starr King United Universalist Church, The Plymouth United Congregational Church, and Dacres.

Special thanks to videographer Forrest Seavey for his volunteer support with all of PBTv's CH 20 productions. PSU work-study students Nick Einstman and Eric Gabor also deserve recognition for their videography.

Respectfully submitted,
Juliet Harvey, Executive Director, PBTv

Pemi Baker TV

Kenyon F. Karl
Wentworth Volunteer Coordinator

Videotaping of Government meetings and non-profit organization events in Wentworth is a volunteer effort, so that the only expense to the taxpayers is our annual dues to Pemi-Baker TV. The Town benefits from this membership as follows:

- Broadcast of roughly one Town Government Meeting per week on TWC Channel 3
- Broadcast of Non-profit organization events on TWC Channel 20
- Training and Technical support of Volunteer Video Producers from Wentworth

Note that Time Warner Cable TV currently serves only 161 subscribers in Wentworth, and Time Warner appears to have no plans to expand the rather limited reach of its cable system in Wentworth. Conversely, the relatively few residents served by their Cable system also have the option of subscribing to their Internet service either along side or independent of their TV service.

But far more important to the citizens of this Town is the recent expansion of FairPoint's DSL service to make it available to most of the telephone subscribers in this very rural town. Although DSL Broadband is clearly inferior in bandwidth to Cable Broadband, it is my understanding that its quality is sufficient to watch video productions.

Because watching video on demand from the Internet is so much more convenient than trying to catch one of its several broadcasts on Cable TV, I have from the outset made a point of also posting videos produced by the Wentworth PBTB Volunteers on the Internet. Indeed, I believe that due to the recent expansion of FairPoint DSL to most parts of town, this part of my effort has become far more important to Town residents than broadcasting these events on the TWC channels. Note that the locations of all videos produced by the Wentworth Volunteers are promptly posted to the following web site: <http://wentworth-nh.com/li.com>. Realizing that for a variety of reasons, some residents will still be left out of the service outlined above, I have made a standing offer to the Town's Librarian, to promptly burn a DVD of any program produced by our volunteers and deliver it to the Town Library for circulation purposes. In addition, I provide a DVD to the Library at the end of every month for archival purposes. Last but not least, please note that I am always looking for Town residents to join me in videotaping both government and non-profit events on a volunteer basis, with training and technical support to be provided by PBTB in Plymouth.

NORTH COUNTRY COUNCIL, INC.

Regional Planning Commission & Economic Development District

The Cottage at the Rocks • 107 Glessner Road • Bethlehem, New Hampshire 03574

PHONE: (603) 444-6303 | FAX: (603) 444-7588

www.nccouncil.org

October 16, 2014

Town of Wentworth
PO Box 2
Wentworth, NH 03282

Greetings,

The Representatives appointed by the Municipal and County governments of the North Country Council region met on September 3, 2014 and passed the budget for the fiscal year 2015. The Membership dues for the fiscal year 2016 were set through this process. The **Town of Wentworth** membership dues has been set for **\$1,007.14**.

This calculation is arrived through the following methodology:

- Average of (% of total regional equalized valuation) + (and the % of total regional population), as a percent of the region.
- For the **Town of Wentworth** that figure is **.168%**.
- **1.68 %** of the total regional assessed dues of \$110,778.20 is **\$1,007.14**.

In the spring of 2015, the Board of North Country Council would like to better engage the Representatives you have appointed in the decision-making of the methodology used and regional dues assessed. We will notify you of all meetings that will be discussing these issues. Please feel free to attend even if you have not appointed Representatives to the North Country Council.

In order to better represent your needs and advise us of services that are beneficial to your community it is important to appoint Representatives. You have the authority (*R.S.A. 36:46 III.*) as members to appoint **two** Representatives to help guide the organization. Our records indicate that you have appointed:

1. none appointed on unknown, whose term expires on unknown. (*R.S.A. 36:46 III. Provides for 4 year terms. There are no term limits*)
2. none appointed on unknown, whose term expires on unknown.

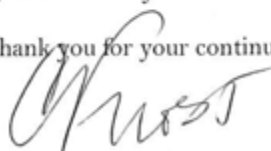

Please keep us informed about any changes in these appointments. If the above information is incorrect please contact us.

Municipal and County dues represent approximately 5% of the budget of North Country Council for FY 2015. Dues are a vital resource for three primary reasons.

- In fiscal year 2015 Municipal and County dues are enabling the Council to leverage more than \$970,000 in federal and other resources that will provide services to local projects throughout the region. Without dues, programs would not have sufficient matching resources to be available to the North Country region.
- Dues allow the Council to be available for technical assistance for; inquiries regarding new legislation, planning boards and other board procedural assistance, demographic research, funding and training source notifications, ordinance and local regulation assistance and facilitating conversations on community decision-making.
- The Council's only state funding resource from the Office of Energy and Planning is just under \$12,000. This is the only funding the Council receives to provide technical assistance to the 51 communities and 3 counties within the region. With the exception of this and dues all other funding sources in the budget are project specific and do not afford the flexibility to assist communities with specific and/or spontaneous assistance.

We look forward to a productive and engaging year. You may begin to see changes in the way that we do business, starting with providing office hours at various locations around the region. We hope to begin this over the winter and will keep you informed of times and locations. I would be happy to meet with any board that would like information about North Country Council and to learn what is important to communities that we serve. Feel free to call or stop by the office at your convenience.

Thank you for your continued interest in improving our communities,

Christine Frost
Executive Director

August 5, 2014
Catherine Stover
Selectmen's Office
P.O. Box 2
Wentworth, NH 03282-0002

Dear Catherine Stover,

The American Red Cross of NH is a non-profit organization dedicated to helping the NH community prepare for, respond to and recover from local disasters. Services are offered statewide, and this would not be possible without the help of hundreds of local volunteers, and generous donors working together 365 days a year.

Please accept this letter as a request for funds from the Town of Wentworth for the upcoming fiscal year in the amount of \$700.

In FY14, as of June 30, the American Red Cross provided the following services throughout the state:

- Red Cross disaster volunteers responded to 173 local disasters, helping a total of 570 people. Almost all of the disasters were residential fires.
- We trained 301 students in medical careers, including Nurse Assistant Training and Phlebotomy.
- We gave 8,114 transportation services to residents in Cheshire, Sullivan and Hillsborough Counties
- We held 1,479 blood drives and collected 60,254 units of blood.
- We connected 278 families with their loved ones through our Service to the Armed Forces.

The American Red Cross provides all its emergency relief services free to disaster clients, and we do not receive federal funding. In order to be able to provide these services, the Red Cross reaches out to partners in the community for funding. It is for this reason that the American Red Cross of NH respectfully requests a donation of \$700.

Volunteers and staff throughout the state look forward to serving the residents of Wentworth during the next fiscal year.

Thank you for your consideration of this request to support the humanitarian work of the American Red Cross of NH.

Sincerely,

Alice Major
Major Gift Officer

Where your care comes together.

September 25, 2014

Town of Wentworth
P.O. Box 2
Wentworth, NH 03282

Dear Board of Selectmen:

As you prepare your budget for the coming year in the Town of Wentworth, Mid-State Health Center (MSHC) respectfully requests that you consider including a \$1,215.37 town contribution to MSHC to assist in supporting a portion of the charity health care services provided to your citizens in need. This amount represents approximately 10% of the charity care dollars provided to residents of Wentworth by MSHC over this past year. From July 1, 2012 through June 30, 2013, *uninsured residents of Wentworth received \$12,153.65 of free health care from MSHC.*

As the only independent, non-profit, primary care practice in the area, MSHC is guided by its mission of *providing sound primary medical care to the community, accessible to all regardless of the ability to pay.* It integrates the clinical services of Internal Medicine, Family Medicine, Pediatrics, and Psychology to deliver the full spectrum of primary care services to patients of all ages, from infants to older adults. Working toward its vision of a healthier community, MSHC responds to the health needs of the community's uninsured by regularly providing charity care.

As you are aware, many of our neighbors are facing financial challenges in the current economic times. Over the past several years, charity care at Mid-State has doubled. We recognize and value the role the leadership in your town plays in doing it's very best to assure responsible taxation in your community. We hope you find our request for support reasonable and responsible in light of the amount of charity care your community was provided in the past year.

Enclosed please find a patient brochure and a 2013 Annual Report that provides additional information about Mid-State Health Center's programs, services, facility and staff.

Thank you for your consideration and your generous commitment of \$1,100.00 in your last budget season. Your contributions have a direct effect on Mid-State Health Center's ability to continue giving quality, integrated health care to those in your community who are unable to pay for these services.

Sincerely,

Sharon Beaty, MBA FACMPE
Chief Executive Officer

Respect Advocacy Integrity Stewardship Excellence
August 18, 2014

Board of Selectmen
Attn: Ms. Catherine Stover
Town of Wentworth
PO Box 2
Wentworth, NH 03282

*Many thanks for
your past support!*

Dear Friends,

- *A Year of Change, Momentum for Mental Health in New Hampshire (Concord Monitor, 2/16/14)*
- *Report Underscores Need for Increased Understanding of Mental Illness, Enhanced Training of Health Care Personnel, Continued Investment in Community-Based Care (Concord Monitor, 1/29/14)*
- *Federal Judge Gives Final Approval To Mental Health Settlement (NHPR, 2/13/14)*

Our New Hampshire newspapers are filled with information on the needs and impact of mental health on our communities. The system itself has been neglected and untreated for far too long, and it has taken its toll on many individuals, families, and communities. Collectively, we must join forces to invest and repair this system. We are asking once again for an appropriation by your town to Genesis Behavioral Health, your local community mental health center.

Your investment will help us ensure the provision of 24/7 Emergency Services to people in crisis, as oftentimes emergencies are attributable to lack of health insurance and/or the financial resources necessary to seek preventative care. For many, Emergency Services at Genesis Behavioral Health are the gateway into treatment. Access to timely and effective treatment supports recovery, and minimizes further harm to the patient, the community, and other systems of care.

With a 35% increase in charity care and an 11% increase in patients over the past year, it is even more challenging to sustain a deficit program such as Emergency Services. We hope to further reduce our deficit in 2015 by leveraging support from all of the communities served by Genesis Behavioral Health. All municipalities are assessed equally based upon population, and every dollar of your contribution is invested in direct care for uninsured people in crisis.

As stated in the 2014 Sentinel Event Review Report, "a healthy population enables growth, productivity, and helps create an economic environment that will sustain New Hampshire's future well-being." We, and the people we serve, thank you for investing in a healthy community. If you should have any questions, please contact Kristen Welch at 603-524-1100 ext. 445 or kwelch@genesishb.org. We welcome the opportunity to meet with your Budget Committee and/or Selectboard to further discuss our request.

Sincerely,

Margaret M. Pritchard

Wentworth, NH 03282

August 25, 2014

Dear Board of Selectmen,

On behalf of the Board and staff of Court Appointed Special Advocates (CASA) of New Hampshire, and especially the children we serve, I'd like to thank you for your generous past support. With the Town of Wentworth's donation, CASA continues to protect the rights of abused and neglected children to grow up in the embrace of a loving family.

As you know, CASA of NH is the only nonprofit organization in the state that recruits, screens and trains volunteers to advocate for victimized children in New Hampshire courts. When these children are thrust into the confusion of the court and foster care systems, our volunteer advocates ensure their best interests are always being considered. They are able to paint a clear picture of the child's needs to the court so the court can make better decisions for the child's future.

The children that CASA of NH serves come from communities across the state, including Wentworth. In Grafton County, CASA advocated for 76 children during 2014. This number includes children who use Wentworth schools and resources and live with foster parents or extended family members in your community.

Our volunteers also come from across the state and donate many hours and driving miles to fulfill their duties. Thanks to the financial support from Wentworth in the past year, CASA of NH supervised 30 Grafton County volunteers. These volunteers traveled 33241 miles and spent 3279 hours speaking on behalf of those who cannot speak for themselves.

CASA of NH's goal is to provide a competent and caring adult to stand up for each and every abused child in court. Thanks in part to your donation we were able to provide child advocates for 87% of the cases in the state in 2014. To help us reach our goal, we respectfully request your consideration for continued funding of \$500 in your 2015 budget.

Thank you again for sharing our vision that every child be provided a safe, permanent home.

Sincerely,

Marcia R. Sink
President and CEO

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

Board of Selectmen
Town of Wentworth
PO Box 222
Wentworth, NH 03282

October 1, 2014

Dear Selectmen:

Ammonoosuc Community Health Services Inc. (ACHS) is requesting an appropriation in the amount of **\$2500 (Two Thousand Five Hundred dollars)** from the Town of Wentworth for 2015. This amount will help us continue to provide high quality healthcare to our **Wentworth patients** and to reach more of those in need of our services.

ACHS has been a vital part of the community since 1975 and while many of our services are paid for through Medicare, Medicaid and grants, our reimbursements through federal, state and county programs fall short of actual expenses, and these funding sources continue to be fragile at best.

Although some economic indicators suggest there is some improvement in the economy, our uninsured and under-insured patient populations are still challenged with access to full-time employment and health insurance benefits in northern New Hampshire despite the many changes in health insurance.

Our sliding fee scale for payment of services provides a vehicle for these patients to get the health care they need in a timely manner, preventing a possible costly emergency room visit or, worse yet, hospitalization because they could not afford to go to the doctor prior to the emergent episode. Keeping just one patient out of the ER could save taxpayers \$1000-\$1500 (average cost of an ER visit).

In our letter of request last year, we expressed how difficult it was for many of our patients to access affordable oral health care and what we were doing to address that problem in the communities we serve. We continued to work with our local partners (Littleton Regional Health Care, Cottage Hospital, and the North Country Health Consortium & Molar Express) to bring services to the most acute oral health situations by providing Adult Oral Health Clinics to keep these folks out of a much more costly ER visit for their dental emergencies.

For several years now, ACHS has been working behind the scenes to secure funding through many different avenues including grants, fundraising, donations and town support to open an Oral Health Facility at its Littleton site. We received support from the NH Department of Health and Human Services Bureau of Oral Health, Bi-State Primary Care Association, and are recipients of a HRSA Oral Health Workforce Development Grant.

We are very happy to report that we are very close to opening the doors to the ACHS Dental & Oral Health Center! The ACHS building on the corner of Cottage Street and Mount Eustis Road in Littleton has been renovated and we will be opening the facility this fall. The ACHS Dental & Oral Health Center will provide cleanings, screenings, education, and referrals to local specialists for more in-depth dental care for some of our neediest patients. This oral health facility will be available to all ACHS patients, and a sliding fee scale will be available for payment of services to those who qualify.

Support from the Town is extremely important in being able to provide the medical, behavioral and soon, oral health care to the citizens of the 26 towns in northern Grafton and southern Coös counties that ACHS serves including Wentworth.

Town of Wentworth Statistics

- Total # of Patients –154 Wentworth
- Total # of Medicaid Patients – 19
- Total # of Medicare Patients – 40
- Total # of Self-Paying Patients – 9
- Total # of Sliding Fee Scale Patients – 13 (8.4% of total Wentworth patients)

As a Federally Qualified Health Center, ACHS provides comprehensive primary preventive healthcare to all, regardless of ability to pay.

On behalf of Ammonoosuc Community Health Services’ board of directors, staff and patients, we would like to thank you for considering our request for funding.

Sincerely,

Edward D. Shanshala II, MSHSA, MSEd
Executive Director

Beth Harwood
ACHS Board of Directors President

Thank you so much for supporting Bridge House! Our Veterans!

"I have never been treated so kindly in my entire life. I didn't think it was possible. Thank you for everything Bridge House." Patrick, Vietnam War Veteran

"I was totally depressed, disconnected, and didn't know where to go. I walked into my local Police Department and they brought me to this shelter. I received all the services and more to move my life in a positive direction. John, 24 year-old Iraq War Veteran

"This is the first time I can remember being treated as a human being...after almost two years at the Bridge House I am in my own apartment, reunited with family. It wouldn't have happened if it hadn't been for the Bridge House" Richard, Vietnam War Veteran

Dear Select Board:

October 8, 2014

The Bridge House (BH) primarily serves Grafton County's individuals/families experiencing homelessness but due to the VA's mandate to end veterans' homelessness is able to specialize in services for anyone who's sworn allegiance to our constitution. No matter how full the shelter, EVERY veteran/veteran family is served. In the last **three years, in addition to hundreds of civilians, BH served 61 veterans** ranging in ages from 24 to 88. Some were here with their children. Almost all are now in independent housing or have been reunified with family. All were from NH, with most from Grafton County, North Country, and Lakes Region.

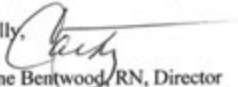

To maintain the commitment to those who've served we ask for your support. Federal and county funds provide approximately \$130,000 of the \$300,000 Bridge House operational budget; donations, grants, fundraisers, occasional welfare reimbursement, and inclusion on town warrants comprise the remainder. Participants pay \$25 weekly 'rent' once they get back to work. Last year 12 Grafton County municipalities gave between \$500 and \$10,000, totaling \$25,000. BH goal is inclusion on all 37 Grafton County municipal budgets with contributions of \$2,000 or more if possible. Your support is critical.

Besides food and shelter the following are just some of the services BH provides for NH veterans:

- Connection to a VA social worker, an employee representative from Vets Inc, and representatives from SSVF – a special VA voucher program
- Housing, job and volunteer advocacy
- Medical, mental health services, 12-step programs
- Transportation to all appointments
- Respite care while wait listed at the White River Junction VA Hospital's 28-day rehab program
- Veterans dogs are welcome as well

We hope you join us in this valuable commitment however whatever your decision, please take the time to read the success story from Bob Dembro, a formerly homeless Vietnam vet and former BH guest. Homeless veterans often come from fragile backgrounds. They enlisted to find security, structure and purpose. Upon discharge they often return to their former, unstable situations. BH returns a sense of self-worth, while offering the tools needed for healthy independent living.

Gratefully,

Catherine Bentwood, RN, Director

HOME HEALTH • HOSPICE • REHABILITATION • AQUATIC & FITNESS

Select Board
Town of Wentworth
PO Box 2
Wentworth, NH 03282

November 5, 2014

Dear Select Board Members:

Most of our community members would choose to remain healthy at home! Pemi-Baker Community Health is the local nonprofit option for homecare, hospice, and outpatient rehab. We are invested in our communities.

As we are a safety net to many in our community, we recognize that our sustainability is essential and can be achieved through partnerships and collaboration that enhance the capacity to our local community health's needs.

PBCH, along with other health and human services providers in the industry, continues to be challenged by economic impacts of County, State, and Federal budget issues. Our reimbursement rates continue to decline while patient acuity rises as more and more care is delivered in the home setting. President Obama's Affordable Care Act has decreased Medicare reimbursement to Home Health agencies representing a decrease of 20% since 1997 for the same services. As a small community, Medicare Certified agency, we are challenged to be more efficient and effective in our service delivery programs.

We are requesting the sum of \$4,172.35 to be included in your 2015 fiscal budget for home care and hospice services to your town. This figure represents a population figure of 917 (the total population is obtained from the Office of State Planning) and a per capita of \$4.55.

We recognize the difficult financial decisions facing our donor towns as they look to balance the needs of their community and I would be more than happy to meet if that would be helpful. Pemi-Baker Community Health depends upon support from our donor towns to help us help their citizens.

Respectfully,

Chandra Engelbert, RN, BSN, MBA

Randy Morrison, Chair
Wentworth Board of Selectmen
Town of Wentworth
PO Box 2
Wentworth NH 03282

Dear Chairman Morrison:

On behalf of CADCY, I would like to thank you, and the citizens of Wentworth, for prior budget allocations and for the opportunity to submit this non-profit funding request for the 2015-16 town budget in the amount of \$1,000.

CADCY's prevention work is purposeful, meaningful, and significant—as is your commitment to community. Preventing drug abuse breaks the cycle of crime; protects children; prevents addiction, saves lives, increases public safety, and contains municipal costs. As the region's leader in substance abuse prevention, we have developed a number of innovative programs which have impacted the lives of many Wentworth youth.

Our programming and outreach in Wentworth is extensive and far reaching. Let me spotlight two of our direct-service programs: The LAUNCH Youth Entrepreneurship Program and Restorative Justice. **The LAUNCH is our region's sole youth employment program, in which 9 Wentworth youth have participated to date (1 Wentworth youth in the last year).** The LAUNCH has received national recognition for its effectiveness underscored by data outcomes: when surveyed about participation 93% of youth said they have achieved higher level goal-setting capacity, stronger leadership skills, and life success as a result of participation. Most noteworthy, is outcome data indicating LAUNCH youth are significantly less likely to engage in high risk behaviors such as substance use. Restorative Justice, a NH certified court diversion program, has given over 145 youth **(12 Wentworth youth to date, 4 Wentworth youth in the last year)** a second chance to take responsibility for their actions, make restitution to victims, reconnect with their community, and turn their lives around. **To date, this translates into comprehensive diversion services for 36 individuals from Wentworth: 12 youth, 12 victims, and 12 parents.** I have enclosed additional information on other CADCY initiatives and programs for your review.

We just began our second year of Grafton County funding which partially sustains the CADCY Restorative Justice Program with a .50% time coordinator for this region. The part-time program allows CADCY to process up to 20 youth referrals per year. In advocating for County funding, CADCY made a commitment to Grafton County Commissioners and our Legislative Delegation that we would build a shared-funding formula by seeking local support to close the budget gap. The total budget to run Restorative Justice is \$57,000—with a \$40,000 allocation from the County that leaves \$17,000 to be raised locally. Our goal is to raise \$10,000 in municipal grants from all towns currently utilizing these services. Currently there is

Working with schools and communities to prevent and reduce youth alcohol, tobacco, and other drug use and to promote healthy environments and promising futures.

no state funding available for diversion—we are at a place where we need to find local solutions to local problems. I am confident that working together we will be able to preserve these vital services that prevent juvenile crime from escalating into violent crime; prevent costly prosecution and entry into the juvenile justice system; prevent residential placements; and significantly reduce recidivism.

When we invest in community-based solutions, we save tax dollars in the short-term and over the long term as well. A study cited in the independent evaluation of the CADCY Restorative Justice Program states, "It can be said that each case handled successfully through the CADCY RJ program saves approximately \$1,300 in public expenditures. This estimate does not include the value of restitution provided by youth offenders; previously reported as about \$141 and 17 hours per participant. This estimate is consistent with a meta-analysis conducted by the Washington State Institute for Public Policy of 13 studies that focused on juvenile court diversion programs for low risk, first time juvenile offenders where providing services to the youth was an important element. The study found that 'overall, taxpayers gain approximately \$1,470 in subsequent criminal justice cost savings for each program participant.' The study further estimated total benefits that accrue to both taxpayers and crime victims, the latter estimated as the value realized from reduced rates of future criminal offending, at \$5,679 per participant. To date, youth offenders have paid restitution to victims totaling \$12,735. In addition to being a cost-effective alternative, CADCY's RJ program provides for its communities a positive, pro-social alternative to traditional court sentencing that victims, offenders and their parents have reported to be a positive, restorative experience.

We ask for your help to create local sustainability for Restorative Justice, a vital program that has earned a 93% success rate, and for the LAUNCH, a one-of-a-kind, youth employment program. CADCY's priority is to help our local youth make healthy and safe choices to protect them, and our communities, from the harms and high costs associated with substance use and crime. As you review requests for municipal support, we hope you will consider the positive impact and savings CADCY provides to the Town of Wentworth.

We're very proud of our proven outcomes and know that through community-based programming we will continue to affect real lives and real change. We ask for your continued investment in our children's future as we work to create a safer, drug-free community.

Sincerely,

Debra A. Naro
Executive Director

Board of Selectmen
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Members of the Board of Selectmen:

Grafton County Senior Citizens Council, Inc. is requesting an appropriation in the amount of \$1,200.00 from the Town of Wentworth for Fiscal Year 2015. This represents a per capita amount of \$4.60 for each of the 261 Wentworth residents aged 60 and older.

During FY2014, 50 elders from your community received congregate or home delivered meals, used our transportation program, the services of our outreach worker or one or more of our other services designed to support the independence of older adults. In addition, 54 Wentworth residents were assisted through Grafton County ServiceLink. GCSCC's cost to provide services for Wentworth residents in 2013-2014 was \$18,361.89.

Enclosed is a report detailing services provided to your community during 2013-2014. Should you have questions or concerns about this report or our request, I would be most happy to meet with you to discuss our services in more detail.

We very much appreciate Wentworth's support and look forward to serving older individuals in your community this coming year.

Sincerely,

Roberta Berner
Executive Director

Budget Committee
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Budget Committee:

From July 1, 2013 to June 30, 2014 *Voices Against Violence* worked with **683** adult and child victims / survivors who have been affected by domestic or sexual violence, or stalking. In Wentworth alone, we provided **38** contacts (**17 service hours**) to **10** male and female victims of domestic violence or sexual assault, as well as provided countless hours of education and support around these issues to other individuals and organizations in your town.

Direct services included crisis counseling through our 24-hour hotline; one-on-one crisis and ongoing advocacy; providing emergency shelter to women and children; support groups; hospital, police and court accompaniment; restraining orders and other legal assistance; providing food, clothing, and transportation; advocating for families' medical/mental health, housing, and financial needs; assisting with educational and employment opportunities; and much more.

Following are the services we provided to adults and children living in Wentworth in the 2013-2014 year (please note, individuals may receive multiple services):

Accompaniment	2
Emergency Legal Support	13
Follow Up	18
Personal Advocacy	7
Safety Planning	20
Protective Order Support	2

Voices reached an additional **2,134 individuals through our prevention education and outreach** programs. Among those programs were workshops for students and faculty at area schools on topics such as bullying prevention, healthy relationships and boundaries, how to help a friend in an abusive situation, and teen dating violence. We are also working with law enforcement and community agencies in your area to create a unified community response to domestic and sexual violence, and will be placing a great deal of effort in our prevention activities that will hopefully alleviate long-term burdens on the town that result from family violence.

With this in mind, I submit this annual budget request in the amount of \$1,500.00 for the 2015 fiscal year. This figure represents approximately half of the total cost of providing services to Wentworth residents in our last fiscal year. We greatly appreciate all of your past support and your consideration of this year's request. Please do not hesitate to contact me at 536-5999 with any questions, or if I can provide additional information to the committee.

Sincerely,

Meg Kennedy Dugan
Executive Director

July 31st, 2014

Town of Wentworth
c/o Ms. Catherine Stover, Administrative Assistant
P. O. Box 2
Wentworth, NH 03282

Dear Selectboard and Citizens of Wentworth:

We would like to express our gratitude to the Town of Wentworth for its longstanding support of the Visiting Nurse and Hospice for Vermont and New Hampshire (VNH). Understanding the significant pressures on the town budget, we respectfully ask for your consideration of our request for level funding in the amount of \$1,733.

For more than a century, VNH has provided critical services throughout Vermont and New Hampshire, reaching families in need in 140 towns. By ensuring access to quality home health care, maternal child health, hospice, and pediatric palliative services, VNH continues to serve as an integral part of the health care safety net for families.

VNH services help to support many of the Town's most vulnerable citizens: the frail elderly and disabled, people with terminal illnesses, those recovering from major surgery or illness, children with chronic medical needs, and the uninsured and underinsured. In addition, we provide no- and low-cost community health services throughout the community, delivering wellness clinics, flu clinics, and foot care clinics year-round at local senior and community centers. And we work in coordination with other health and human service agencies to maximize efficient utilization of scarce public resources. By enabling people to live and heal in comfort in their own home, VNH reduces use of emergency rooms, hospitals and other institutions, and increases cost efficiencies for patients and providers alike.

Last year, VNH was pleased to provide **220 home health care, hospice and maternal child health visits to Wentworth residents**. These services were provided regardless of ability to pay. Support from the Town of Wentworth helps to offset the **unreimbursed – or charity – care provided, which totaled approximately \$6,460**.

Thank you for your consideration of this request. Please feel free to contact Terry Hyland, Special Projects Coordinator, with any questions at 603-298-2827 or thyland@vnhcare.org.

Sincerely,

Jeanne A. McLaughlin
President and CEO

October 22, 2014

Board of Selectmen
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Select Board:

Tri-County Community Action Program is a private, non-profit agency that is requesting, at your 2015 Town Meeting, \$2,000 in funding from the Town of Wentworth to help support its Community Contact Division.

The following is a report of services provided in fiscal year 2013-2014:

Services Provided:	# of HH	Dollar Amount
Fuel Assistance	41	\$32,577.14
Electrical Assistance	33	\$25,377.36
Food Pantry (23 people receiving 3 days worth of food)	8	\$414.00
Referrals (i.e.: Health, Homeless Prevention, Legal Aid...)	71	

**THROUGH THE EFFORTS OF TRI-COUNTY COMMUNITY ACTION,
THE CITIZENS OF WENTWORTH HAVE RECEIVED A TOTAL OF
\$58,368.50 IN ASSISTANCE BETWEEN JULY 1, 2013 AND JUNE 30,
2014.**

Community Contact provides these and other necessary services for the less fortunate citizens in your town and surrounding vicinities. We are depending upon funding from your town and others countywide.

We sincerely appreciate the Town of Wentworth's past support and look forward to our continuing partnership to provide essential services to your residents.

Sincerely,

Kelly Burke
Woodsville Community Contact Manager

SUPERINTENDENT'S REPORT 2013-2014

It is a pleasure to update you on the progress of the schools in SAU #48.

We are very proud to serve as the educational leaders of this unique SAU and it is our good fortune to work with such a talented and dedicated faculty and staff.

Teachers in the areas of Science and English/ Language Arts have been working diligently to create a common alignment of curriculum K-12 through the process of master curriculum mapping. Adopting competencies and aligning multiple measures of assessments is a priority to ensure the delivery of high quality content to students. We will begin the process of curriculum alignment for all other subjects in 2015/16. STEM (Science, Technology, Engineering, and Math) initiatives have been integrated across the curriculum through various classrooms and after school programs. We continue to integrate 21st-century skills and content socially and academically by using reasoning and problem-solving skills to promote higher-level thinking, integrating technology in classrooms, library/media center, and technology labs to enhance instruction and performance.

Our students in grades 3-8 and 11 are gearing up to take the Smarter Balanced Assessment for the first time this Spring. Students in grade 4, 8, and 11 are continuing to take the NECAP Science Assessment in the Spring as well. Teachers continue to analyze multiple sources of data to plan and address the individual needs of students across the district.

SAU 48 continues to recognize the importance of the arts including collaboration between schools for musical performances, art shows, and cultural arts night. We are proud of the quality of our theatrical and musical performances across the district and SAU 48 students' participation in community play performances, community service projects, regional athletic programs, and summer recreational programs.

All of our schools continue to update and refine security measures. We work with local and regional safety authorities to attempt to have our schools safe, welcoming and exciting places to learn, work and play.

Our buildings function as community centers in many of our towns and we strive to offer a safe, clean and comfortable environment for our residents.

Please accept our sincerest thanks for the support you show our schools. We believe our schools reflect the unique and individual characteristics of the towns they serve.

As always, we welcome your input, comments and questions.

Bernice Sullivan

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Wentworth Elementary School in said Wentworth on Saturday, the seventh (7th) day of March, 2015 at 3:00 o'clock in the afternoon to act upon articles #2, 3, 4 & 5 of this warrant, and you are hereby notified to meet at the Wentworth Elementary School in said Wentworth on Tuesday, the 10th of March, next, polls to be open **for voting on Article 1** at 8:00 o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the afternoon.

Article 1: To choose all necessary School District Officials for the year ensuing.

(Second Session, March 10, 2015)

Moderator (One Year Term)

Clerk (One Year Term)

Treasurer (One Year Term)

School Board Member (Three Year Term)

School Board Member (Two Year Term)

Article 2: To see what action the School District will take relative to the reports of agents, auditors, committees and officers.

Article 3: Are you in favor of changing the term of the School District Moderator from one year to three (3) years, beginning with the term of the Moderator to be elected at next year's regular school district meeting?

Article 4: To see if the school district will vote to raise and appropriate \$58,850 for the purchase of an emergency generator. This sum to come from a Homeland Security grant in the amount of \$29,425 and the remaining \$29,425 to come from the School Building Capital Reserve fund created for this purpose. This article is contingent on the school district receiving the anticipated grant. This article is non-lapsing until June 30th, 2017. (The School Board recommends this appropriation.) (Majority vote required).

Article 5: To see if the school district will vote to raise and appropriate \$7,630 for building improvements. This amount to come from the School Building Capital Reserve fund created for this purpose. (The School Board recommends this appropriation.) (Majority vote required).

Article 6: To see if the School District will vote to raise and appropriate the sum of one million four hundred thirty-five thousand six hundred seventy-five dollars (\$1,435,675) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District. This amount does not include any amount contained in any other warrant article. (The School Board recommends this appropriation.) (Majority vote required).

Article 7: To transact any further business which may legally come before this meeting.

Given under our hands this 20th day of January in the year of our Lord two thousand and fifteen.

**WENTWORTH SCHOOL DISTRICT
Annual Meeting
Saturday, March 8, 2014**

Meeting was called to order by Moderator Stephen Welch at 3:05 p.m.

To the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs.

You are hereby notified to meet at the Wentworth Elementary School Saturday, the eighth (8th) day of March, 2014 at 3:00 o'clock in the afternoon to act upon articles #2,3,4,5,6 & 7 of this warrant, and you are hereby notified to meet at the Wentworth Elementary School in said Wentworth on Tuesday the 11th of March, next, polls to be open for voting on Article 1 at 8:00 o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the afternoon.

Article 1: To choose all necessary School District Officials for the year ensuing.
(Second Session, March 11, 2014)
Moderator (One Year Term)
Clerk (One Year Term)
Treasurer (One Year Term)
School Board Member (Three Year Term)

Motion to accept as read by Bernice Sullivan, seconded by Kathleen Mack.
Article was passed.

Article 2: To see what action the School District will take relative to the reports of agents, auditors, committees and officers.

Motion to accept as read by Bernice Sullivan, seconded by Kathleen Mack.
Article was passed.

Article 3: To see if the School District will raise and appropriate the sum of twenty-five thousand seven hundred sixty-nine dollars (\$25,769) for security system upgrades at the school, and to withdraw ten thousand dollars (\$10,000) from the previously established Facilities Capital Reserve Fund for this purpose, the remaining fifteen thousand seven hundred sixty-nine dollars (\$15,769) to come from general taxation. (The School Board recommends this appropriation.) (Majority vote required.)

Motion to accept as read by Kathleen Mack, seconded by Bernice Sullivan.

A motion was made by Francis Muzzey to amend the article to put in the years of the 2014 fiscal year taxation to the 2015 year taxation.

Seconded by Larry Bixby, Motion passed, Article passed.

Article 4: To see if the School District will vote to raise and appropriate the sum of sixteen thousand six hundred seven dollars (\$16,607) for the renovation of a classroom at the school and to withdraw sixteen thousand six hundred seven dollars (\$16,607) from the previously established Facilities Capital Reserve Fund for this purpose. (The School Board recommends this appropriation.) (Majority vote required.)

Motion to accept as read by Bernice Sullivan and seconded by Kathleen Mack.
Article passed.

Article 5: To see if the School District will vote to approve the cost items included in the collective bargaining agreement reached between the Wentworth School Board and the Wentworth Education Association which calls for the following increases in salary and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2014-2015	\$27,052
2015-2016	\$28,178

And further to raise and appropriate the sum of twenty-seven thousand fifty-two dollars (\$27,052) for the 2014-2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the most recent collective bargaining agreement. (The School Board recommends this appropriation.) (Majority vote required.)

Motion made by Bernice Sullivan and seconded by Kathleen Mack

Motion to have a paper ballot. Votes cast 56. There were 32 yes, 24 no. Article passed.

Article 6: To see if the School District will vote to raise and appropriate the sum of one million five hundred eighty-four thousand five hundred fifty-eight dollars (\$1,584,558) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District. This amount does not include the sums found in Articles 3,4, or 5. (The School Board recommends this appropriation.) (Majority vote required.)

Kate Schackai amended the article to one million seconded by Charles Stata.

Motion to have a paper ballot. Vote cast 57. There were 21 yes, 36 no.

Amendment failed.

Motion to amend to (\$1,250,000) Votes cast 55. There were 32 yes 23 no. Not a majority. Another paper ballot vote was required.

Votes cast 55. There were 34 yes, 21 no. Article passed.

Article 7: To transact any further business which may legally come before this meeting.

To have the school moderator put together a 5 member advisory committee to make recommendations to school board to help reduce cost. 7 hands were raised to be on committee.

Motion to adjourn the meeting was made by Palmer Koelb and seconded by Kate Schackai.

Meeting was adjourned by Stephen Welch at 5:30 p.m.

Eleanor R. Murray

Respectfully submitted, Eleanor R. Murray, School District Clerk

PRINCIPAL'S REPORT 2014-2015

Dear Friends and Families of Wentworth Elementary School,

This year has been a time of change at the school. We have combined grades in order to balance the number of students in each room, with a total enrollment of 62 students. The configuration is as follows:

Kindergarten/First Grade = 13 students

Second/Third Grade = 13 students

Fourth and Fifth Grade = 12 students

Sixth Grade = 11 students

Seventh /Eighth Grade = 13 students

We have welcomed new staff members in many positions. Mr. Chris Misavage is teaching Middle School Math & Science, Mrs. Rachel Troiano is teaching the combined 4th/5th grade, and Mrs. Kathleen Smith has joined the school as a Reading & Writing Specialist. Mr. Eli Chamberlain is the new P.E. teacher, and Mrs. Laura Danica is the Guidance Counselor. In the Technology Integrator position is Zach Denancour. We also have two new aids, Ms. Jess Brown and Ms. Vicki Moore. I joined the school as the Building Administrator & Special Education Teacher. Mrs. LeeAnn Lewis has joined the community as the Secretary. We are excited to be building a communicative team committed to academic achievement and supportive relationships.

We have implemented a new reading series called Wonders Reading in grade kindergarten through 6. Through the expertise of our Reading and Writing Specialist, we are running phonics group instruction and school-wide assessment programs. The building had upgrades this summer, classroom 4 had work done building a mezzanine in the ceiling and we replaced the lighting and installed LED lighting. Through grant funding we are able to offer a Homework Club 4 days a week to all students. This is a wonderful opportunity to support learning.

This fall we had a successful soccer team and a new Running Club was started. Watching children of all ages develop stamina and peer support was a joy. At the annual Thanksgiving Meal we held the first annual Turkey Trot. The trail was lined with supporters, parents and grandparents. This winter the Warren Village School and WES have partnered to create a combined basketball team. We have 15 players on the girls team and 13 players on the boys team.

The Parent Teacher Organization is active in fundraising, classroom support and community events. The parents and staff baked 50 pies before Thanksgiving and sold them to support field trips for the students. We held our first Breakfast with Santa event before Christmas, it was wonderful to see young families in the building.

We have been working with Wentworth Fire and Police Departments to refine the Emergency Management Plan and to conduct drills and training for staff on emergency procedures. We are grateful for the support from both of these departments as well as the Selectboard. All of these entities and the school are working on a project to purchase a generator for the Elementary School building in order to maintain the school in the event of a power outage and to provide shelter to townspeople in the event of an emergency.

Our building is alive with learning and individual growth. If you would like more information about the happenings at WES, please visit our website, <https://wes.sau48.org> or stop by any time. Thank you for your support.

Respectfully Submitted,
Tonia Orlando, Building Administrator

WENTWORTH SCHOOL DISTRICT
School Nurse Report
2014-2015

For the children of Wentworth Elementary School, the nurse's office is not just a place they can go if they are not feeling well or are injured. They also come to the office if they need someone to talk to other than a teacher or a parent. I offer them encouragement to make the right decisions and do their best work. We have conversations about healthy eating habits, personal hygiene, being kind to one another, friendship issues and getting exercise. I strive to include the families of students including extended families in what we do here at WES, we are partners in the children's health. Please feel free to contact me with questions or concerns

This year, I work with the Bakers River Grange and the Community Closet to provide clothing and food for families that do not have access to these basic necessities. We also partner with Olympia Sports to provide winter coats and winter accessories to children in need.

We continue our Dental Health Program with Mrs. Ruth Doane and Speare Memorial Hospital. Mrs. Doane checks all students' oral hygiene and provides cleanings to students with parental consent. The program also offers fluoride as well as sealants to those who may need them.

Ammonusooc Community Health office in Warren NH headed by Dr. Caitlyn O'Donnell, offers our students the flu vaccine free of charge for those who would like their children immunized. They have provided this service every year in the early fall.

All students who participate in school sports have had baseline concussion tests. This was a courtesy program provided through SAU 48, headed up by John Brule, athletic trainer. Also in support of school athletics I screen health forms and provide emergency supplies for teams.

This past fall, numerous staff members took a class at Wentworth Elementary School to become CPR certified in an effort to ensure the safety of our children. We are almost 100% certified with our staff.

Respectfully Submitted

Christine Crane, RN CEN, School Nurse WES

INDEPENDENT AUDITOR'S REPORT

To the School Board
Wentworth School District
Wentworth, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Wentworth School District as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Wentworth School District, as of June 30, 2014, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and schedule of funding progress for other postemployment benefits on pages 7 through 19 and 49 through 53 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Wentworth School District's basic financial statements. The combining nonmajor fund financial statements, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

DOG OWNERS

shall register all dogs over
three months of age by
April 30

- Rabies certificates required for registration.
- Penalty for not obtaining a dog license is a fine of \$25.00 (RSA: 466:13).
- Owners are liable for dogs running at large.
- Fees: \$6.50 if altered - \$9.00 not altered (Seniors \$2.00 for first dog, regular fees applied for extra dogs)
- Puppies (3-7 months) \$4.50

VEHICLE OWNERS must register their vehicles with Town Clerk.

- To re-register, owners must bring in their old registrations.
- Proof of residency is required for new registrations.
- Renewals, stickers, transfers and plates available.

THOSE OPERATING IN OR NEAR WETLAND OR WATERWAYS

shall file a Dredge and Fill-application with the Town Clerk before beginning work. Under RSA: 483-A fines can be assessed for non-compliance.

PROPERTY OWNERS seeking tax abatement shall apply to the Selectmen's Office in writing by March 1, following the mailing of the final tax bill. Abatement forms are available at the Selectmen's Office and the Town website.
